

PROMYS Europe

A partnership of PROMYS (Boston), Wadham College and the Mathematical Institute at the University of Oxford, and the Clay Mathematics Institute

15th July 2017 – 25th August 2018 at Wadham College, Oxford

www.promys-europe.org

Six weeks of challenging and stimulating mathematical exploration, for mathematically ambitious school students aged 16+ from across Europe

“PROMYS is all about exploration and learning through experimentation, building the tools to ask and then tackling progressively more difficult and interesting questions” – Student, PROMYS Europe 2015

“The programme offers pre-university students from across Europe an extraordinary opportunity to engage with deep mathematical ideas” – CMI

Selection is needs-blind and based on merit alone. Partial or full financial aid is available for those who need it.

The programme is dedicated to the principle that no one should be unable to attend for financial reasons.
